

ESPAI GRANADA

Come and enjoy a private celebration at Espai Granada! Our children's parties are fun and delicious, and we offer personalized themes such as Harry Potter with Magical Potions, The Upside Down from Stranger Things, Little Mermaid Under the Sea Fantasy, Racing with Cars, and more!

Our celebrations revolve around the kitchen and our cooking workshops. Together, with our chef, the children prepare sweet or savory recipes, allowing them to discover new flavors and cooking techniques.

Additionally, we prepare themed cakes! Simply choose your favorite and we will create it specially for you.

We look forward to celebrating and cooking in our kitchen with you!
