

Birthday celebrations

Come enjoy your private birthday party at Espai Granada. We have a spacious and cozy space to host your dream party. It can be a Party-Workshop, a Themed Party-Workshop and more. We adapt to your choice of party.

Being a gastronomic space, our activities always revolve around cooking. For the workshop parties we prepare a special session with what the honorees like to cook and eat, sweet or savory dishes. The children will prepare delicious recipes with the help of our chef.

We also offer snacks and make personalized themed cakes to your liking.

Come and celebrate in our kitchens full of surprises to discover.
